Family Survey

How is "Keep YES Prep Learning" going for you and your family? YES Prep asks for your feedback by clicking on this [link](#) to take a brief survey. The questions will help us understand how the program is going and will inform us of the needs of our school community. Take the survey at this [link](#) by Monday, May 4th.

Keep YES Prep Learning Family Guide

Our virtual distance learning program, "Keep YES Prep Learning," began on Monday, March 30. As a gentle reminder, please continue to use this program until the end of the school year. This program is required for all YES Prep students.

Free Students Meals

A reminder, YES Prep is providing free meals to children 18 years and younger on Mondays and Thursdays. Please visit yesprep.org/covid19/meals to learn about updates regarding distribution locations starting next Monday, April 20.

Student Survey

As you know, the COVID-19 pandemic has made us completely change the way we go to school. We know that it probably feels strange to be learning and completing your schoolwork online but your teachers and administrators want to know what they can do to make your experience with Keep YES Prep Learning (remote learning) the best it can be. Your responses to the survey will enable us to make adjustments to Keep YES Prep Learning in the remaining weeks to best meet your needs. ALL student opinions matter, so we hope that you will take 15 minutes to complete this [survey](#).
